The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for the Town of Coeymans Sewer System Improvements project in the fiscal year 2024. The entity to receive funding for this project is the Town of Coeymans, located at 18 Russell Avenue, Ravena, NY 12143.

The funding would be used for construction costs for essential sewer system upgrades and repairs. These include the removal and replacement of existing gravity sewer infrastructure, rehabilitation of existing gravity sewer via cured-in-place pipe lining, and replacement of two pump stations. This project will help improve public health and safety.

I certify that neither I nor my immediate family has any financial interest in this project.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

Sincerely,

A handwritten signature in black ink that reads "Paul D. Tonko".
